## **MISSION STATEMENT**

The Carpet Cushion Council is dedicated to promoting the use of better quality carpet cushion in all markets in which its members operate – primarily the residential and commercial carpet markets. The Council also works to increase trade awareness of the value and benefits of quality carpet cushion.

The Council fosters and promotes the interests, business and products of its members through ongoing programs within the floor covering industry, including creative publicity and public relations campaigns designed to reach and influence all audiences important to the continued growth of the carpet cushion industry.

The Council assists its members and the industry in establishing trade practice rules and regulations, as well as collects and distributes data and information of interest and benefit to its members and related industries.

The Council also acts as the industry representative in matters relating to the Department of Housing and Urban Development (HUD), the Environmental Protection Agency (EPA) and other federal, state and local regulatory bodies.
